

Disaster / Significant Event Experience

Evidence of significant disaster and recovery management experience delineates that candidate was actively involved in the response or recovery of an actual incident or event in Nevada or as part of a Nevada supported deployment. (Please refer to page 21 for disaster definition).

The documentation must show proof of at least forty-eight (48) hours of active involvement in a single incident. (i.e. ICS form 214, Unit Log, or organizational time sheet suitable as evidence for FEMA eligible work.).

This disaster experience cannot be a duplicate of the one used in the Work History / Experience section. Exercises do not qualify for the contribution.

Professional Membership

Active membership for three (3) consecutive years for NVEM or one (1) year for NVEM-A in an emergency management related professional organization. The basis of qualification for this contribution is the organization's mission, which should be concerned about one or more mission areas of emergency management and consistent with the protection of life and property from disaster. If the mission of the organization is not apparent by its title, it should be provided in verifiable format (such as from the organization's website). The scope of the organization should be state, national, or international. Examples include professional organizations such as IAEM, NEMA, and Association of Contingency Planners.

- a) Submit a copy of the current membership card or membership directory for each year of membership. One (1) single membership organization for the required number of years or any combination of organizations over the required period. While multiple organizations may be used, documentation of different years must be provided.
- b) NEPA membership does not qualify for this contribution since applicant must have NEPA membership to be initially eligible for certification.

Leadership & Participation by Appointment

This is State, regional or local committee work resulting in a significant positive impact on the emergency management community. Serving as an elected/appointed officer or in a leadership position on a board of directors, board committee, task force, or special project for a professional, emergency management, or jurisdictional organization contributing to or supporting emergency management (must not be part of the applicant's required job duties).

Contributions must clearly demonstrate a commitment to the emergency management profession above and beyond that normally expected from completion of an individual's job responsibilities. Any assignment indicated in the applicant's job description does not meet the criteria for a leadership role contribution. (I.e. A contribution that does not meet the criteria is a leadership or service role on a task force or committee that is identified in your job description or part of the mission of your organization.)

- a) Applicant must demonstrate being an actual Officer or Board member, utilizing one single service role.
- b) Minimum of one (1) year participation in the leadership role.
- c) Documentation must be provided (i.e. Documentation may be a list of the Board/Officer members with their assignment, copy of meeting minutes listing your leadership position, etc.).

Complete a formal teaching or instructing commitment relating to an emergency management related course, which equals or exceeds four (4) hours of actual platform instruction where a certificate or credits are issued. The emphasis of this area is teaching an aspect of emergency management.

Examples of teaching under this category include teaching a course on emergency management at a college or university, teaching professional development course of four (4) hours or more related to emergency management, or similar instructional commitment where the emphasis is on professional emergency management topics (in person, online or distant learning is included). Teaching is intended to impart the profession of emergency management. For example, ICS or All Hazards Planning courses would be acceptable.

- a) **Providing technical skills training (HAZMAT, Fire, Law Enforcement, or EMS) to technical or professional people is not teaching professional emergency management.**
- b) **Applicant must attach verification of teaching or instructing (I.e.: sign in sheets).**

Publications

This refers to a publication of an emergency management article, research project, or other publication relating to the emergency management field. The article/publication must have an independent editorial review and be published in a document beyond the applicant's control (i.e. staff documents and internal reports do not qualify). Applicant must validate primary or secondary authorship. Publications in online periodicals qualify (peer review publications and about emergency management). A copy of the publication must be printed and inserted as documentation along with any explanatory details about the publisher, circulation, audience, etc. Applicants must have served as author, co-author, or contributor on publication. Play a significant role in the development or extensive revision of an educational emergency management course of at least three (3) hours in length. (Must not be part of the applicant's required job duties).

- a) Applicant must validate primary or secondary authorship.
- b) A copy of the publication must be printed and inserted as documentation along with any explanatory details about the publisher, circulation, audience, etc.
- c) Announcements, flyers, and documents written as work projects will not be considered.
